

## Newsletter

Friday 26<sup>th</sup> June 2020

Dear Parents,

I hope that you have all been enjoying the sunshine this week!

I have received many questions from parents wondering what the arrangements will be for September. We have not been updated as yet but I believe that guidance will be released sometime next week. Fingers crossed.

All the staff and I sincerely hope that we will be back to some normality and that we will be welcoming all of the children back in September. This is what we are currently planning for. We will of course be continuing all of the extra handwashing and cleaning measures as we believe that this could help beat not only COVID but the colds and bugs we normally have each year, particularly in the Autumn term.

### Free School Meals Vouchers

For those eligible vouchers are ready to collect **TODAY** between **10 and 2pm**. The next batch will be available from Friday 10<sup>th</sup> July. We will also endeavour to have the summer vouchers available on **10<sup>th</sup> July** but we are still awaiting guidance from the Government on how we order them.

### Sock Olympics

All of the children in school will be taking part in the sock Olympics **TODAY**. If you would like to take part at home details are on the Home learning page. Please send us your photos in and remember it's not only children that can take part!!

### Reports and new class information

Your child's report has been written and will be available to pick up from the school office from **July 10<sup>th</sup>**.

We will endeavour to send out new class information by July 3<sup>rd</sup>.

### Book return

There are still a number of the Nursery 'Core books', in the zip folders, which still need to be returned. If you could do this in the next couple of weeks that would be fantastic, so that they are ready for September. Thank you.

Take care,

Mrs O'Connell

Headteacher

## This week's home learning

Next week's home learning projects are focussing on 'Food' we hope that you enjoy them. They are on the website now! Keep sending through your home learning photos!

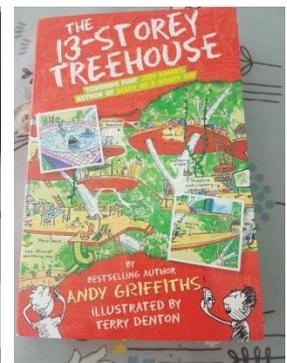

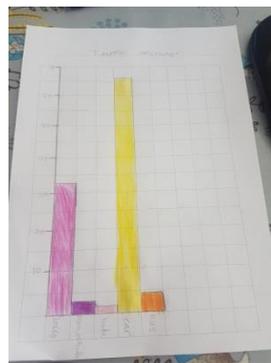

Joey and his sister Isabelle have been busy building dens this week. Joey has embraced the 'Transport' topic and has completed a traffic survey and designed a vehicle fit for a wild vet!

Joey is currently in second place in the family sunflower growing competition but with the sunshine and rain I'm sure his will catch up!

Vehicles		
Tally Chart		
Vehicle	Tally	Number
bus		4
car		5
motorbike		4
bike		2

Tilly has completed a traffic survey in the sunshine this week and has been enjoying reading her new book which she fully recommends.

Paris has drawn a fantastic picture of the cat 'Luna' from the brilliant book 'Look up'.
